Dear Richard,

SIG-Linguistic Ethnography Forum ACCOUNTS YEAR ENDED MAY 31 2007

During the financial period ending May 31st 2007 no financial transactions were undertaken using the LEF account. The only change in the account was a bank credit of £6.83 (interest). In part this was due to the considerable complications surrounding the changing of signatories to the account (Theresa Lillis replaced Richard Barwell as treasurer) but mainly because LEF activities have not involved funding transactions. The seminar that was held in Madrid April 14 2007 (see Annual +Report) was funded by the local university group and no funds were requested or given from the LEF account.

Financial transactions have been made in June 2007 relating to the Birmingham seminar June 16 2007 (see Annual Report) but this is part of the next financial year so will be listed in the budget report of 2008.

The current balance (up to May 31st 2007) stands at £1,126.02 as indicated by enclosed copy of latest bank statement.

I am not enclosing receipts, bank book or draft accounts because transactions that have been made have occurred after May 31 2007. These will be submitted to BAAL in June 2008.

Best wishes
